

Bellaire High School Soccer Booster Club
Meeting Minutes for April 7, 2008 7 PM, Room S267
By Linda Maher

Donut sales:

Michele Loes explained the plans for the sale in May. Dates/times will be:

May 19-22, which is before finals, with one shift from 7-9 AM;

May 23, and 27-28, which is during finals, with two shifts from 7-8:15 and 9:30-10:15; and

May 29, the last day of school/finals, with one early shift.

Michele still needs to get BHS approval for the sale. Sign-up sheets for parents for shift help were passed around. This is your golden opportunity to get involved with an easy, very fun job, that may help ease the pain of finals, or at least a few hunger pains. Contact Michele to sign up, or for more info at:

Officers voted in for next year:

The following were voted in, unopposed, as senior troublemakers, aka booster club officers, for next year:

President:	Pamela Pappas
Vice President:	Michele Loes
Treasurer:	Carol Beittenmiller
Secretary:	Linda Maher

The plan is still that the Webmaster will be an officer position next year.

Banquet

Final preparations were discussed for the April 17th dinner and program. The details of the evening agenda have yet to be set by Jim Fish. Janus Lazaris will find out if Gatherings will provide plates and cutlery for the desserts the club parents will be bringing. Pamela Pappas asked that all desserts be brought to her house the night before, and she will get the desserts to Gatherings by 6 PM before the dinner.

Jim will get a gift card for our guest speaker, Stuart Holden. If you don't know who Stuart is, then you need to find out now. It is an honor to have this rising star join us, so help make him feel at home so he tells his buddies what a hoot we are, and gets them all to come to the banquet next year. Maybe we can scrimmage (in your dreams). Where is that knee brace anyway?

The slide show is almost done, with Clay Wick and Alex Lazaris working on that. Some CDs of the slide show will be available for sale at the banquet for \$10, and orders will be taken for more if there is demand.

Volunteers will be needed the day of the banquet to help with the decorations, probably starting at 11 AM for a couple of hours. Janus will coordinate the sending of several well-deserved thank you notes after the banquet.

Michele brought the draft program for review, and it will go to the printer this week. She reports that the club sold about \$1000 in commercial ads and personal tributes for the program, and the program will cost about \$600 to print. She did all the graphics herself, so make sure you ooh and aah over the program - it was one of the larger undertakings for this dinner. Jim suggested this program could be the prototype for a club directory that can be put together early in the next season.

Jim reports that about 145 folks so far have a reservation for the banquet, and that excludes coaches and other school staff. The coaches will help spread the word that rvsp's and money are due asap to David Tucker or to the coaches.

Save the date:

Next and final club meeting for this season is on Monday May 5 at 7 PM.
